

888 launches new live dealer casino games portfolio in New Jersey

21st August 2018, Atlantic City New Jersey – 888 Holdings, one of the world’s most popular online gaming companies and solutions providers, has launched an exciting new portfolio of Live Dealer casino games in New Jersey as part of the business’ continued expansion in the Garden State.

The exciting new launch marks an extension of 888’s partnership with Evolution Gaming, a global leading Live Casino provider. The new games, which can be enjoyed on PC, Mac, iOS and Android, stream real live dealers in real-time from secure casino facilities. Players can see the cards being dealt to them and place their own bets in real-time. Multiple camera angles and close-ups of the action insure the most immersive experience possible. Live Casino games stream direct to players’ screens via 3G, 4G and WIFI Internet.

Itai Pazner, Chief Operating Officer (COO) of 888Holdings, commented: *“We are very excited by the launch of the new, enhanced live casino offering in New Jersey, which reflects our commitment to continuing to grow and develop our strong position in the US market. We are the only operator in all three regulated US states and will continue to invest in and develop our product to ensure we offer the best possible experience to customers.*

Live Casino is an essential part of the 888 Casino experience and we are confident that, supported by Evolution’s market-leading live product, we will drive additional growth to 888casino in New Jersey.”

Notes to editors:

The live games launched include:

- **Live Roulette** – live roulette is the real deal! This game features live casino dealers and fully customizable betting selections. Place your bets in real-time with a professional croupier and watch them spin the wheel.
- **Live Blackjack** – 21 is the magic number but any hand total that beats the live casino dealer will suffice. This is another fast-paced, strategy-based casino card game with feature-rich entertainment options. Each live table features 7 seats and an unlimited number of players can enjoy Bet Behind wagers.
- **Live Baccarat** – Baccarat may be considered a high roller’s game but it’s available to everyone at 888casino NJ. With live Baccarat you can enjoy cards dealt face down on bean-shaped tables, additional side bets and authentic casino entertainment. Live Baccarat offers players a fully immersive online casino experience.
- **Three Card Poker** - Live Three Card Poker is the most popular casino specialty table game thanks to its multiplayer functionality. This is poker played fast and furious and is ideal for newbies and

experienced players alike. The dealer must qualify with a Queen high and there is an ante bonus for players who manage a Straight or better. Payouts of 1,000:1 are available if players place additional bets known as the Pair Plus & Six Card Bonus.

- **Ultimate Texas Hold'em** - as far as poker games go, Ultimate Texas Hold'em is the king of the ring. This live streaming poker game is ideal for poker purists and it features head-to-head action against the dealer in pursuit of the best 5-card hand. Poker fans will play through the Flop, Turn and River in this absorbing strategy-based card game.
- **Slingshot Roulette** – experience fast-paced live roulette. This live casino game features an automated roulette wheel which can power through 60 - 80 games an hour. Plus, you get to enjoy rapid game completion, half-currency betting and more.
